Bob,

We previously discussed the fact that I have quoted for another company prior to your request. Therefore I have not made any indication to SCA concerning acceptability/ capacity / pricing of the risk. In cases such as this I cannot quote for SCA unless you receive an order to bind the risk.

I have discussed this case with you. I believe that you had agreed to the Level 1,2 & 3 bonuses for \$350,000+/- . However, I cannot find the documentation.
