**\*\*\*REVISED\*\*\***

The Risk Allocation Form for the Contract #31122 has been amended to reflect the correct risk premium of \$275,000.

The agreed participation of this promotion by Swiss Re was 97.5% (per the email dated 1/12/01 from Bob Hammen). Frank mentioned in his email of 1/7/01 Swiss Re will accommodate if we could get coverage for \$275,000. The \$275,000 risk charge is for 100% coverage. Swiss Re participation is 97.5% which equals \$268,125 of the risk premium and the remainder of the risk is covered by SCA Group.

Upon your review and approval, please execute the attached and return it to my attention.

Please feel free to Tom or me regarding the above should you have any questions or concerns.

Thank you. *Alfreda*
